[New license verification system for WinUtilities 13.x](#)

The WinUtilities 13.x will use a new license verification system. Old registration code may not work in the new version.

Please don't worry about this. If you are lifetime user, Please send an email to support_ll@ylcomputing.com, tell us your Order ID or registration confirmation email address. We will resend you new lifetime license within 12 hours.

[Click here to contact us if you have lifetime license](#)

Thanks for understanding.
